

UNUS Y2-D479-EDG
Case No. C6601(C)

REMARKS

Reconsideration of the application, as amended, is respectfully requested.

In an effort to expedite issuance of this patent, claim 5 has been cancelled, without prejudice, to later presentation in a divisional application.

In view of the cancellation without prejudice of claim 5, it appears that the claimed subject matter has been allowed. Therefore, it is respectfully requested that the application be passed to issue.

Respectfully submitted,

Gerard J. McGowan, Jr.
Attorney for Applicant(s)
Reg. No. 29,412
